**THE CANYONS METROPOLITAN DISTRICT NO. 5  
2026 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

The District was organized to provide financing for the design, acquisition, installation and construction of storm and sanitary sewers, water systems, streets, parks and recreation facilities, transportation systems, television relay and translator facilities, security, mosquito control and fire protection and operation and maintenance of the District. The District's service area is located in the City of Castle Pines in Douglas County, Colorado and the District operates in connection with Districts Nos. 1 - 4 and 6 - 11.

The District was formed by District Court Order on June 4, 2010, and held its organizational meeting on December 6, 2010. The relationship between the District No. 5, District No. 6, and District No. 7, including the means for approving, financing, constructing and operating the public services and improvements needed to serve the property are outlined in the Master Reimbursement Agreement executed December 29, 2015 by the District and District Nos. 6 and 7.

May 4, 2010, District voters approved authorization to increase property taxes up to \$100,000,000, annually, as necessary, to pay for the operations and maintenance expenditures of the District as well as \$100,000,000, annually, as necessary to pay for the capital expenditures of the District. Debt authorization was approved in the amount of \$1,300,000,000 for the above listed facilities and \$100,000,000 for refunding debt. The election also allows the District to retain all revenues without regard to the limitations contained in Article X, Section 20 of the Colorado constitution or any other law.

On November 4, 2014, District voters approved authorization to increase property taxes up to \$226,000,000, annually, as necessary, to pay for the operations and maintenance expenditures of the District as well as \$226,000,000, annually, as necessary to pay for the capital expenditures of the District. Debt authorization was approved in the amount of \$2,260,000,000 for the above listed facilities and \$226,000,000 for refunding debt. The election also allows the District to retain all revenues without regard to the limitations contained in Article X, Section 20 of the Colorado constitution or any other law.

Pursuant to the Amended and Restated Service Plan, the maximum mill levy for general obligation debt and operations and maintenance is 69.000 mills. This limit is to be adjusted for increases or decreases in the residential assessment ratio (for the debt portion of the mill levy only) so that the actual tax revenues derived from the mill levy, as adjusted, are neither diminished nor enhanced as a result.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**THE CANYONS METROPOLITAN DISTRICT NO. 5  
2026 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Revenues**

**Property Taxes**

Property taxes are levied by the District’s Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer’s election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

Pursuant to the Service Plan, the District is required to adjust its maximum Required Mill Levy for changes in the ratio of actual to assessed value of property within the District. As of December 31, 2023, the adjusted maximum mill levy for debt service is 48.345 mills and 1.208 for operations. Required Mill Levy means an ad valorem mill levy imposed upon all taxable property of the District each year in a amount sufficient to pay the principal, premium if any, and interest on the Bonds as the same become due and payable [and to make up any deficiencies in the Reserve Fund].

For property tax collection year 2026, HB24B-1001 set the assessment rates and actual value reductions as follows:

<b>Category</b>	<b>Rate</b>	<b>Category</b>	<b>Rate</b>
Single-Family Residential	6.25%	Agricultural Land	27.00%
Multi-Family Residential	6.25%	Renewable Energy Land	27.00%
Commercial	27.00%	Vacant Land	27.00%
Industrial	27.00%	Personal Property	27.00%
Lodging	27.00%	State Assessed	27.00%
		Oil & Gas Production	87.50%

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

**Specific Ownership Tax**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing with the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District’s share will be equal to approximately 7.5% of the property taxes collected.

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 3.50%.

**Facilities Fees**

**Expenditures**

**County Treasurer's Fees**

**General and Administrative**

General and administrative expenditures have been provided based on estimates of the District's Board of Directors and consultants and include the services necessary to maintain the District's administrative viability such as accounting, legal, insurance, and other administrative expenditures.

**Debt Service**

On October 11, 2024, the District issued \$98,955,000 of Limited Tax General Obligation and Special Revenue Refunding and Improvement Bonds. The proceeds from the sale of the 2024A Bonds were used to:

- (a) Refunding a portion of the District's 2017A, 2017B, and 2016C Bonds and District No. 6's 2017A, 2017B, and 2016C Bonds;
- (b) Paying or reimbursing costs of the facilities;
- (c) Fund a deposit to the Senior Reserve Fund representing 50% of the Senior Reserve Requirement; and
- (d) Pay the costs of issuing the Bonds and the 2024B Subordinate Bonds and the premium for the Bond Insurance Policy and Reserve Policy which will fund 50% of the Senior Reserve Requirement

The Series 2024A Bonds bear interest at rates ranging from 4.125% to 5.250%, payable semi-annually on June 1 and December 1 each year, to the extent of Senior Pledged Revenue available therefor, beginning on December 1, 2024. Annual mandatory sinking fund principal payments on the Series 2024A Bonds are due on December 1, beginning on December 1, 2025. The Series 2024A Bonds mature on December 1, 2059.

The Series 2024A Bonds are secured by and payable solely from and to the extent of the Senior Pledged Revenue, net of any costs of collection, which is defined generally in the 2024A Indenture as:

- (a) the Senior Property Tax Revenues;
- (b) the Senior Specific Ownership Tax Revenues attributable to the Senior Required Mill Levy;
- (c) Capital Fees, including particularly and without limitation, the Facilities Fees;

**Series 2024B Subordinate Limited Tax General Obligation and Special Revenue Bonds**

On October 11, 2024, the District issued \$37,189,000 of Limited Tax General Obligation and Special Revenue Bonds. The proceeds from the sale of the Series 2024B Bonds were used for the purpose of paying an additional portion of the costs of refunding District's 2017A, 2017B, and 2016C Bonds and District No. 6's 2017A, 2017B, and 2016C Bonds.

The Series 2024B Bonds bear an interest rate of 6.50% per annum and payable annually on December 15, but only to the extent of available Subordinate Pledged Revenue. The Series 2024B Bonds are structured as cash flow bonds, meaning that there are no scheduled payments of principal or interest thereof prior to the final maturity date. Rather, principal on the Series 2024B Bonds is payable on each December 15 (if at all) from, and solely to the extent of, Subordinate Pledged Revenue (if any) remaining after the payment of interest then due on the Series 2024B Bonds on December 15 of the then current year. Unpaid interest on the 2024B Bonds compounds annually on each December 15.

In the event that, on December 15, 2064 any amount of principal of or interest on the Series 2024B Bonds remains unpaid after application of all Subordinate Pledged Revenue available therefor in accordance with the Subordinate Indenture, the Series 2024B Bonds and the lien of the Subordinate Indenture securing payment thereof is to be deemed discharged.

The Series 2024B Bonds are secured by and payable solely from the following sources, net of any costs of collection, to the extent not previously deducted by definition, (the "Subordinate Pledged Revenue"):

- (a) all Subordinate Property Tax Revenues;
- (b) all Subordinate Specific Ownership Tax Revenues attributable to the Subordinate Required Mill Levy;
- (c) all Subordinate Capital Fee Revenue, including particularly and without limitation, the Facilities Fees;
- (d) all Subordinate PIF Revenue; and
- (e) any other legally available moneys which the District determines, in its absolute discretion, to credit to the Subordinate Bond Fund.

Pursuant to the Series 2024B Indenture, the District has further covenanted to levy a Subordinate Required Mill Levy each year in the amount equal to (i) 48 mills (as adjusted from January 1, 2009) less the Senior Required Mill Levy, or (ii) such lesser amount that will generate Subordinate Property Tax Revenues which, when combined with moneys then on deposit in the Subordinate Bond Fund, will pay the 2024B Bonds in full.

The District has no operating or capital leases.
